EXPERIENCE

Nisivoccia | Bridgewater, NJ

June 2026

Audit Intern

- Executed substantive testing and test of details over 8 audit areas including cash, receivables, payroll, and fixed assets per GAAP.
- Evaluated internal controls and supported risk assessment over key transaction cycles to target areas for substantive audit focus.
- Detected an expense misstatement during substantive testing, traced it to source, and escalated the finding to engagement leadership.
- Performed analytical procedures and reconciliations, recalculating balances and investigating variances to supporting schedules.
- Obtained audit evidence via third-party confirmations, vouching, and tracing to support fair presentation of financial statements.
- Documented procedures and tickmarks in CCH ProSystem fx Engagement work papers for manager and partner review per GAAS.

Nisivoccia | Mount Arlington, NJ

January 2026 – April 2026

Tax Intern

- Prepared individual and business tax returns across multiple jurisdictions in compliance with federal and state regulations.
- Reconciled client source documents to reported figures, correcting discrepancies to support accurate and compliant tax filings.
- Prepared supporting work papers and organized tax data, partnering with engagement teams to meet filing deadlines in busy season.
- Supported tax engagements across diverse industries including government, healthcare, real estate, nonprofit, and construction.
- Leveraged CCH ProSystem fx Tax and Tax1099 to process individual returns, 1099-NEC/MISC filings, and W-2 reconciliations.

Bankers Life | Bridgewater, NJ

August 2023 – April 2024

Insurance Sales Agent

- Analyzed client financial portfolios and recommended tailored solutions aligned with long-term objectives, earning a 95%+ satisfaction rate.
- Cultivated strong client relationships, conducted needs assessments, communicated effectively, and achieved 85% retention rate.
- Implemented digital marketing campaigns, referral programs, and expanded the client base, gaining 40+ new accounts in one year.
- Mentored junior staff on compliance procedures and supported team operations, contributing to a 15% increase toward revenue targets.
- Executed strategic prospecting and sales plans to meet revenue goals. Consistently achieved 100-110% of quarterly sales targets.
- Utilized CRM systems to generate qualified leads, resulting in a 25% increase in prospecting pipeline.

Harvest Moon Brewery and Cafe | New Brunswick, NJ

September 2020

Head Bartender

- Promoted to lead bar operations; supervised and mentored staff to uphold service standards and drive team performance.

LEADERSHIP CONTRIBUTIONS

Fairleigh Dickinson University | Madison, NJ

Spring 2026

Vice President & AI Team Lead of Beta Alpha Psi Sigma Nu Chapter, National Honor Society

- Spearheaded development of an AI-powered tutor bot to help members practice advanced business concepts through guided learning.
- Won 1st place in the Deloitte-sponsored BAP Mid-Year Best Practices Competition in Cincinnati, presenting NuAnswers among ten universities and advancing to the national championship.
- Directed a six-person team through prompt engineering, testing, and quality assurance to deliver accurate, pedagogical responses.
- Architected a full-stack rebuild on React, Next.js, and Supabase with the Claude API, deploying a scalable, production-ready platform.

ENACTUS | Branchburg, NJ

September 2020 – May 2021

Director of Finance & Leader of the Veterans Affairs Project

- Directed financial operations, developed and monitored annual budgets to optimize resources and identify cost-savings.
- Implemented financial controls and processes to enhance data accuracy and improve reliability of financial reporting.
- Coordinated with cross-functional teams to analyze and evaluate budget proposals, ensuring alignment with goals and financial feasibility.
- Designed and executed a self-sustaining business model assisting financially struggling veterans with basic needs while boosting local businesses' profitability and community reputation.
- Demonstrated strong leadership/project management skills overseeing initiatives aimed at social impact and financial sustainability.
