Bachelor of Science, Finance

May '27

Fairleigh Dickinson University, Silberman College of Business, Teaneck, NJ

GPA: 3.4

RELEVANT COURSEWORK

Financial Accounting • Managerial Accounting • Intermediate Financial Analysis • Principles of Financial Analysis • Personal Financial Management

EXPERIENCE

Financial Analyst Intern

May '26 - Aug '26

Ibex Financial Services | Englewood, NJ

- Work directly with the CEO, COO, and CFO to maintain a master financial model tracking a \$5.7B portfolio of 400+ policies, rolling forward multi-year quarterly data (cash value, premium, net amount at risk, mortality and expense) and rebuilding the charts used in quarterly reporting.
- Execute document-level due diligence across 200+ policyholder files, reconciling asset assignment chains against a master inventory and resolving discrepancies that flow into corrected financial filings.
- Trace initial cash flows to verify premium funding on flagged policies, confirming cash funded versus asset funded status prior to sign off.

Associate Banker

Apr '25 - Present

TD Bank, Fairview, NJ

- Manage a busy teller line, handling deposits, withdrawals, and loan payments while resolving complex account issues and maintaining customer confidence.
- Identify cross-selling opportunities, promote product usage, and consistently meet branch performance goals.

Waiter

Sep '24 - Dec '25

The Terrace Wedding Venue, Paramus, NJ

- Delivered high-quality food and beverage service across events while coordinating setup, breakdown, and post-event cleanup to venue standards.

Sales Associate

Sep '21 - Oct '23

Walgreens, Lodi, NJ

- Operated the register accurately, processed multiple payment types, and provided detailed product and service information to customers.

CAMPUS INVOLVEMENT

President

May '25 - Present

Beta Alpha Psi: Nu Sigma Chapter (Honors Accounting & Finance Society)

- Led the chapter team to 1st place at the Deloitte-sponsored BAP Mid-Year Best Practices Competition in Cincinnati, presenting NuAnswers, an AI tutor bot built from scratch, among ten universities and earning an automatic bid to the national championship in Baltimore.
- Lead the society by running weekly meetings with guest speakers from top banks and firms, managing the executive board, and overseeing candidate onboarding and chapter growth.

Analyst

Jan '25 - Present

SMIF (Student Managed Investment Fund)

- Conduct equity and market research on the Bloomberg Terminal and build Excel-based valuation work (DCF, comps, and scenario analysis) to support investment theses, presenting findings in a decision-ready format.

Head Tutor

Jan '25 - Present

Beta Alpha Psi: Nu Sigma Chapter

- Manage the chapter tutoring program, organizing exam-style review sessions and coordinating tutors to support members in core accounting and finance courses.

Member

Oct '24 - Present

NABA (National Association of Black Accountants)
